1. Create jewelry from polished beach stones – collect your own, or choose from ours!
2. Make nature-themed notecards using simple printmaking techniques.

Tide Pool Walk: Explore the rocky Atlantic shoreline and tide pools with our Naturalist. We will look at the seaweeds creatures who live in amongst the rocks.

Naturalist Van Outing To Kettle Pond Visitor Center: Kettle Pond Visitor Center is the northeast headquarters for US Fish & Wildlife. The center has very nice displays covering local habitats and geography, which our Naturalist will review. Outing is about one hour and twenty minutes.

Birding by Van: Utilizing the Inn van we will visit locations where we will likely spot seasonal birds through our spotting scope.

Casual Birding and Tour by Van: An hour-long trip where we will tour the area and keep an eye open for interesting birds.

Solar Sunday: View the sun through our beautiful scope outfitted with a high-end solar filter. This is a safe way to see sunspots on the surface of the sun.

Naturalist's Van Outing to Kettle Pond Visitor Center: KPVC is located in a lovely modern building in the woods of Charlestown, which is also the regional headquarters for US Fish & Wildlife. The visitor center features beautiful dioramas and displays that represent various habitats found in the five Rhode Island refuges.
